The screenshot shows a Calendly booking page for 'West Sacramento Home Run Site Visits and Interviews'. The page includes a logo for 'WEST SACRAMENTO HOME RUN', a title, a duration of 1 hour, and a location 'At Your Work Place'. The main content area contains a message to supervisors and a request to pick a date and time. A calendar on the right side shows the month of June 2024, with dates 5, 11, 12, 18, 19, 25, and 26 highlighted in blue. The time zone is set to 'Pacific Time - US & Canada (10:41am)'. At the bottom, there are links for 'Cookie settings', 'Report abuse', and 'Troubleshoot'.

📍 At Your Work Place

Hello Supervisors! We are very excited to come to your site and get to see you and your interns in action!

Please pick a day and time that best fits your and your interns schedule. We will be taking video of your intern working, doing their daily routine and towards the end we will interview them. This should take us less than 1 hour.

Please be camera ready! For our end of the year
