

# Home Run Internship Learning Plan Worksheet

Please work *with your intern* to complete this worksheet. Interns will feel more invested in the goals if they co-create them with you. Refer to the learning goals guide from the University of Washington on page 10 of the [Supervisor Handbook](#) for guidance.

## Intern Name

## Learning Objectives

List or describe the knowledge and/or skills you would like your intern to have by the end of the internship. These may include skills specific to your business and industry, but they should also include the skills listed in at least one of the six domains on page 2 of the [Intern Performance Review form](#).

## Learning Activities

Describe the tasks, projects and experiences that will help the intern achieve these learning objectives.

## Learning Assessment

Explain how you will assess whether your intern has met the learning objectives.
